DISCOVER THE WINERIES

Mora Wines

Mora is one of Central Otago's most highly respected names in viticulture, and its wines are celebrated for reflecting the unique characteristics of the region's terrain. The range includes the limited production Single Site Series, along with a Central Otago range and a much-loved Methode Traditionelle.

Chard Farm

Positioned overlooking the Kawarau River, Chard Farm is considered one of the most picturesque vineyards in the region. Established in 1987, Chard Farm was an early pioneer of winemaking in Central Otago. Today, it produces an exceptional range of Pinot Noir varieties, Riesling, Pinot Gris, Rosé, and more.

Brennan Wines

Brennan Wines planted its first vines in 1994 and has been run by renowned winemaker Sean Brennan since 2006. Along with its award-winning Pinot Noir, this family-run winery distinguishes itself for its unique wine offerings, including Gibbston Valley's only Tempranillo, a rare varietal in New Zealand.

We will visit alternative wineries if certain options are unavailable. With our strong local connection to Gibbston Valley wineries, you can rest assured our selections are sure to delight.
